

Pickleball 4 Parkinson's

• DECEMBER 18, 2023 • GRAND PARK SPORTS CENTER •

Dear Community Partner:

We are excited to invite you to join the Indiana Parkinson Foundation at our inaugural **Pickleball 4 Parkinson's event**. It will be held at the **Grand Park Sports Center, December 18, 2023**. The purpose of the event is to raise awareness and funds to improve the lives of people with Parkinson's disease and their families. Over 1,000,000 Americans are currently living with Parkinson's and 90,000 Americans will receive a new diagnosis of Parkinson's disease this year. Parkinson's disease (PD) is a chronic and progressive neurological disease that has NO CURE, but there is hope.

Jennifer Joyce was recently diagnosed with Parkinson's and since her diagnosis she has learned that exercise can have a significant impact on managing the condition. This is where Pickleball becomes particularly relevant. It's currently one of the fastest-growing sports in the United States, and it's gaining popularity for good reason. With its compact court size, Pickleball provides an ideal opportunity for people to become more active. By introducing more people to Pickleball through events like this, we have the potential to improve the lives of fellow Parkinson's patients.

All proceeds from this event go to the Indiana Parkinson Foundation (IPF). For over 14 years it has provided valuable programs and services for those with Parkinson's and their families to improve their lives physically, mentally, and spiritually. We are bringing people together and providing a community to encourage, uplift and empower those with Parkinson's on their journey.

Our inaugural Pickleball 4 Parkinson's event helps us continue our mission to improve the lives of those living with Parkinson's. The sponsorship opportunities are attached for your review. We appreciate your role in our community and hope you will join us as a sponsor for our first Pickleball event and a supporter of those living with PD.

Sincerely,

Kim Williams
